

We invite you to

Bringing the World Leaders in Product Philanthropy,

Good 360 to Australia

HOW CAN YOU HELP?

Funding

via Investors, Philanthropists, Govt. Grants, Corporate & Individual Donations.

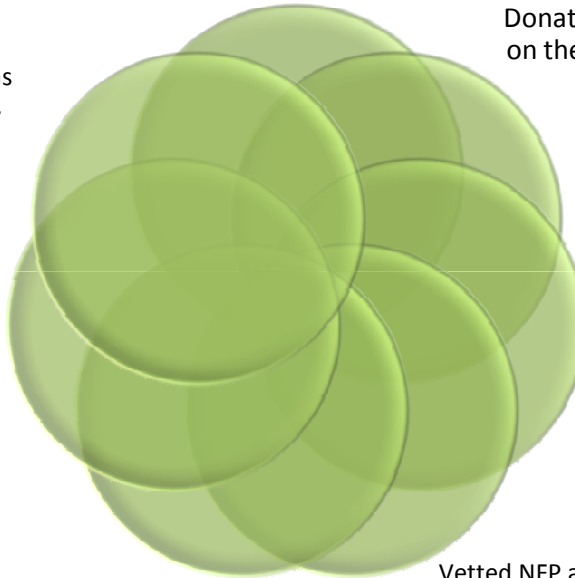

Considered “**one of the top 10 best-managed charities**” as ranked by Forbes Magazine and has distributed over **\$7 billion of donated product**, this charity operating model is an efficient model to donate to.

Advisors & Professionals

Stand 3ft Back is providing local resources to establish Good360 in Australia. We are accepting expressions of interests from professions to join us in the circle of giving, finding a way that you can help us help others

Media / PR Partners

Rarely is there such a win-win between business and social good. The heart warming stories that come from the enormous amount of product that is donated to those in need are worth sharing.

Companies

Donate excess inventory, claim tax breaks, save on the cost of storage and reverse logistics and waste diversion

(product philanthropy)

Freight, Warehouse & Logistic Partners

Provide an essential connection between the extensive network of pre-qualified charities and our generous donors

Nonprofits/Charities

Vetted NFP are the big winners you will have easy access to all this excess stock via an online website

If you consider **eBay** links those who **have** to those who want

Good360 links those who have to those that need

join our circle of giving
